

SQUARE LOW TABLE ASHERA

Designer

Noémie Rognon

Technical characteristics

For this eco-designed coffee table, form and material are inextricably linked; the purpose is to highlight the warmth and nobility of the wood base. Coffee table with a solid wood base and clear extra-white tempered glass top, thickness 1/2" - 12 mm, rounded corners. Choice of 4 species of Woods: American walnut, European walnut, cherry, natural oak.
