

VASE SMALL FILA

Designer

Daniel Debiasi & Federico Sandri

Technical characteristics

The originality of the Fila vase resides in the slit opening, in which flowers can be arranged in single file, countered by the imposing base. The low version can be seen as a stylised iron, while the large evokes an ancient jar. - Mouth blown amber glass with mercury glass lined interior. - Matte white molded porcelain vase with biscuit porcelain on the exterior and clear enamel on the interior. - Vase in transparent multicolored mouth-blown vase (white, lilac, grey blue, orange, smoked).
