

RUG AGOSTO

Designer

Constance Frapolli

Technical characteristics

A woollen tufted rug, generously-sized in order to best capture the impression of perspective on which it is based : a play of light and shadows over a building with colored walls and no ceiling. Slivers of sunlight, which are also seen on the right-hand side of the "tableau" are also admitted by the top door bottom left. Woollen tufted rug.

Dimensions

Width 98 " | Length 137 "
