

TABLE LAMP SITAR

Designer

Christian Werner

Dimensions

Height 12 " | Diameter 11 " | Weight 7.055 lb

Description

The name Sitar suits this superb table lamp perfectly: the depth and brilliance of the black finish of its shade and base bring a note of luxury, much like the sitar itself, which is often finished in precious materials. Here, Christian Werner celebrates nostalgia through his extremely refined design and the nobility of his chosen materials, black mouth-blown glass. Table lamp with weighted base (Ø 5 1/4") and shade (H 2 1/4" - Ø 11") in mass-colored mouth-blown black glass. Stem (Ø 1/4") in black lacquered steel. Black textile cable and manual switch. Requires 3 x 3W G9 110V LED bulbs (not supplied), color temperature 3,000 K (warm white).
