

LOW TABLE LIAM

Designer

Eric Jourdan

Description

A fervent believer in timeless modernity, Eric Jourdan designed a mini-collection of occasional furniture which is chic and glamorous, classic yet contemporary. He designed it using ultra-simple yet highly expressive lines. The top in gray smoked glass brings an elegant sobriety which contrasts with the bronze finish of the four legs which themselves are discreet and very slim, almost frail. The rigorous minimalist construction marries with discreetly luxurious materials which flirt with the artsy spirit of the gallery or high-end decoration: and the result, two small, precious and infinitely seductive pieces. Low table with structure and base in bronze lacquered steel and top in gray smoked toughened glass (flat polished edges).
