

# MIRROR REUNION

## Designer

Busetti Garuti Redaelli

## Technical characteristics

Reunion is composed of a frame in natural varnished solid American walnut with mirrored glass. It is equipped with a wall fixing batten to hang the piece, or to attach it to the wall while it rests on a piece of furniture. If placed on a piece of furniture and fixed to the wall, there are 2 stoppers supplied to be used on the bottom of the frame to protect the surface of the furniture it rests on. This piece can only be fixed vertically with the wooden frame oriented in a downward position.
