

CHAIR/BRIDGE WHITE WHITE LACQUERED BASE ROCHER

Designer

Hertel & Klarhoefer

Technical characteristics

A resolutely urban graphic collection, easily accommodated and accessibly-priced. The Rocher collection picks up on the trend for fractal design as characterised by its faceted construction. In actual fact the surface of the shell of the Rocher chair, an envelope which does duty as seat, back and arms, seems to have been cut like a diamond. It sits on four steel feet finished in lacquer to match the shell. Easy on the eye, it combines easily with a large number of dining tables, be they classic or contemporary in style. **STRUCTURE & COMFORT** Steel base. Shell in satin-finish reinforced techno polymer, with the signature of the designers. Easy

Dimensions

Height 835 mm | Width 510 mm | Depth 565 mm |
Seat height 465 mm | Seats 1 place | Weight 8.22 kg
