

# SMALL CHAISE LONGUE ARM RIGHT COMPLETE ITEM NOMADE 2

## Designer

Didier Gomez

## Technical characteristics

An aesthetic twist on the model NOMADE (1996), NOMADE 2 is more urban, Parisian even, in a 'Rive Gauche' spirit, in the French tradition of art deco. The structures, therefore, remain the same: however, the piped seam on the mattress has slimmed down to a band of thin piping whilst the covered buttons have become discreet stitch detailing and the back cushions clearly assert the refinement of their couture finish.

**CONSTRUCTION** Frame in square-section
