## Technical characteristics

This dining chair combines elegance, comfort (thanks to the all-enveloping support offered by its curved backrest), availability (since it is held in stock in 7 colours) and a moderate price. As its name suggests, the whole concept of this chair is rooted in softness and roundness: the round legs echo the rounded shape of the back. The integral seat and back, clad in polyurethane foam, presents not a single hard point. **CONSTRUCTION** Structure and base in solid beech. **COMFORT** Integral seat and curved back
