## Technical characteristics

Asola is a glimpse of the Seventies and Eighties, as much in terms of the material used - perforated steel - and its white colour as its stylised mushroom-like shape. The latter evokes the emblematic lights of the period such as Giancarlo Mattioli's Nesso light (1967) or Mario Botta's Shogun (1986), which was designed for Artemide. - Table lamp with stem and shade constructed from two white lacquered perforated steel cylinders. The upper section of the
