

FLOOR STANDARD LAMP G30

Designer

Pierre Guariche

Dimensions

Height 1,540 mm | Width 415 mm | Depth 470 mm |
Weight 8.14 kg

Description

Pierre Guariche used to call it the “kite”: its shade in a white perforated metal sheet evokes a sail inflated by the wind, attached to the earth by two brass wires. It is a spectacular piece, typical of Pierre Guariche’s minimalist and generous style. Construction: Pole in brushed varnished brass, base and reflector in black lacquered metal. Supplied with a bulb Led filament 10W E27 2700 K.
