Technical characteristics

The LES MINIS collection was created to answer a general desire to 'miniaturise' adult-size seating, the characteristics of shape, comfort and safety (no hard places) of which render them attractive to both children and their parents. It was TOGO's general popularity with the public and 'all-foam' characteristics which were the deciding factors in our decision to offer this model in reduced dimensions to suit the following age groups: MINI TOGO for the 5's to 12's. CONSTRUCTION Entirely in polyether foam 28 kg/m³ - 3.5 kPa. COMFORT Elasticity of foam reinforced by buttoning. Soft yet supportive comfort. MAKING-UP Covers generously quilted with 300 g/m² polyester quilting. Buttons covered to match main cover. Covers may be
