#### MAKING-UP

3 mm bourrelet stitch on back and armrests. Twin-needle stitching on seat. Covers may be removed by a professional.

IMPORTANT : when the TARU settees, 1-arm settees and canalounges are upholstered in ARDA, GENTLE, MAXI or SEA there are no seams in the centre of the seat (there is a seam in the case of all covering materials). In addition, in the case of GENTLE, the bourrelet stitch on the contour of the back is replaced with baguette overstitching.
