

# CIRCO / CIRCA

## Technical characteristics

This dining chair combines elegance, comfort (thanks to the all-enveloping support offered by its curved backrest) and a moderate price. As its name suggests, the whole concept of this chair is rooted in softness and roundness: the round legs echo the rounded shape of the back. The integral seat and back, clad in polyurethane foam, presents not a single hard point. **CONSTRUCTION** Structure and base in solid beech. **COMFORT** Integral seat and curved back cushions in anti-combustion polyurethane foam 30 kg/m<sup>3</sup> - 1.7 kPa. **MAKING-UP** Simple stitching. For the best upholstered finish, the front face of the backrest has 2 vertical seams. Covers are not removable.

## PRODUCTS

### CHAIR - CIRCO CHOICE OF COVERING MATERIALS

#### FEET IN NATURAL BEECH

#### Dimensions

Height 810 mm
