

TABLE LAMP WHITE MAGNET LAMP

Designer

Michael Raasch

Description

Structure in textured satin white lacquered steel. Cylindrical white cotton shade with white PMMA diffuser which together create a pleasant lighting ambiance. The shade is magnetized and it is therefore possible for it to be positioned freely at the desired height, whilst its handle enables it to be angled as desired. Grey textile cable with manual dimmer. Supplied with 1 x 60 W E 27 'shock-resistant' standard incandescent bulb (classic A). IMPORTANT: shade should only be moved when the light is switched off and the bulb has cooled.
