

OCCASIONAL TABLE COPPER- PLATED TOP SIDE TABLE

Designer

Jan Christian Delfs

Dimensions

Height 500 mm | Diameter 400 mm | Weight 6.75 kg

Description

This occasional/sofa end table comprises a tripod base in satin-finish black-stained solid ash. It takes a removable round top (H 1.5 Ø 40 cm) in gloss-finish solid copper finished with a rust-proof transparent varnish. Neither red, nor pink, nor gold, copper is a metal which is changeable in colour. Ecological since it is 100 % recyclable, it is coming back into fashion in urban apartments: nostalgic perhaps, but undoubtedly modern.

Technical characteristics

This occasional/sofa end table comprises a tripod base in satin-finish black-stained solid ash. It takes a removable round top (H 1.5 Ø 40 cm) in gloss-finish solid
