Description

The immediate success of the Asola table lamp led Ligne Roset and Evangelos Vasileiou to further develop the range for 2017 with the addition of a spectacular suspended light \emptyset 60 constructed from 3 cylinders made from white lacquered perforated steel. The extreme purity of form of this suspended light, being the simple association of several cylinders of differing heights and diameters, confers an air of clarity, a guarantee of timeless seduction. The shade (H 51 - \emptyset 60 cm) comprises 3 cylinders made from satin white lacquered perforated sheet steel. The light is suspended from 3 x 150 cm steel wires with 'coulistop' mechanism. White lacquered ceiling fitting (H 3 - \emptyset 12 cm). Supplied with 1 x 12 W E 27 standard (classic A) eco halogen bulb.
