

1 HOOK UP BRASS ENVOLEE

Designer

Studio Fluye.

Description

Envolée is a figurative metal hook in the form of a bird in flight. The positions of the wings, either uplifted or angled downwards, give two shapes of hook which will enable not only light pieces of clothing to be hung up, but also heavier pieces (e.g. a coat) without bending the hook out of shape. It is recommended that one creates a real 'installation' by fixing multiple hooks to the wall and making a play with their various shapes and/or finishes to create one's own personal flock of birds. One could thus decorate one's entrance hall, corridor or even bathroom in a fresh, poetic way. Metal hooks. Fixed to the wall by a central screw and two lateral grips. Both hooks, "Up or Down" are offered in a choice of matt black lacquered steel or gloss brass.
