Technical characteristics

CONCEPTION : although it might be evocative of certain metal modular systems from the office world, Dita clearly distances itself from these in a number of ways: its lacquered panels are in wood rather than sheet metal; its discreet profiled uprights with their sophisticated finish are perfectly placed, cast and not part of the structure; a matching handle

which is light and beautifully designed;
and its small, slim feet which continue the
line of the structure in a very natural way.

QUALITY OF MANUFACTURE & FINISHES:

uprights are in 15 x 15 mm anodised
aluminium section in a brushed bronze
finish. These frame the wooden panels
which are finished in argile lacquer on the
interior faces and in a choice of 15 colours
for all visible exterior faces: - white satin,
argile and perle (standard), - beige, brick,
chocolate, make-up, moutarde, sage,
black, lead, bleu nuit, mahogany brown,
copper, platinum grey (to order). All
items are single-sided but are finished on
the back (back panels and edges in argile
lacquer). Certain items may be given an
optional double-sided treatment, with the
addition of a rear finishing panel. Handles
are in injected zamak, lacquered bronze
to co-ordinate with the uprights. Hinges
are black. The feet H 30 mm continue the
line of the uprights and incorporate a
black jack. The new shelving unit, at H 189
cm the same height as the storage
column, has shelves in a choice of 16
finishes: grey smoked glass, satin
white/argile/perle lacquer, plus the 12 'to-
order' lacquer colours (beige, brick,
chocolate, make-up, moutarde, sage,
black, lead, night blue, mahogany brown,
copper, platinum grey). The 4-drawer
chest is composed of 3 identical drawers
topped with a narrower upper drawer.
The 6-drawer chest is composed of 5
identical drawers topped with a narrower

upper drawer. The bench/TV unit is available in 2 versions, either with a cushion or with a lacquered top. It comprises 2 flap doors with 2 lower glass shelves (could be used as hallway storage). The cushion in high resilience polyurethane Bultex foam 53 kg/m³ - 6.3 kPa is covered in Steelcut trio 3 (choice of 53 colours).
