which is light and beautifully designed;  
and its small, slim feet which continue the  
line of the structure in a very natural way.

#### QUALITY OF MANUFACTURE & FINISHES:

uprights are in 15 x 15 mm anodised  
aluminium section in a brushed bronze  
finish. These frame the wooden panels  
which are finished in argile lacquer on the  
interior faces and in a choice of 16 colours  
for all visible exterior faces: - satin white,  
argile and perle (standard), - beige,  
brique, chocolate, make-up, moutarde,  
sage, black, plomb, night blue, mahogany  
brown, copper, platinum grey (to order).  
All items are single-sided but are finished  
on the back (back panels and edges in  
argile lacquer). Certain items may be  
given an optional double-sided treatment,  
with the addition of a rear finishing panel.  
Handles are in injected zamak, lacquered  
bronze to co-ordinate with the uprights.  
Hinges are black. The feet H 30 mm  
continue the line of the uprights and  
incorporate a black jack. The new  
shelving unit, at H 189 cm the same height  
as the storage column, has shelves in a  
choice of 17 finishes: grey smoked glass,  
satin white/argile/perle lacquer, plus the  
13 'to-order' lacquer colours (brique, bleu  
lavande, chocolat, moutarde, elephant,  
ranger, noir, bleu nuit, brun acajou, bleu  
gentiane, cuivre, gris platine). The 4-  
drawer chest is composed of 3 identical  
drawers topped with a narrower upper  
drawer. The 6-drawer chest is composed  
of 5 identical drawers topped with a

nattower upper drawer. The bench/TV unit is available in 2 versions, either with a cushion or with a lacquered top. It comprises 2 flap doors with 2 lower glass shelves (could be used as hallway storage). The cushion in high resilience polyurethane Bultex foam 53 kg/m<sup>3</sup> - 6.3 kPa is covered in Steelcut trio 3 (choice of 53 colours).
