

SIDEBOARD 3 DOORS DITA LIVING ROOM

Designer

Pagnon & Pelhaître

Description

The interior of the unit comprises 2 bays : one closed by 2 doors & another by a single door. The large bay is equipped with a 25 mm thick argile lacquered shelf (1029 x 396) behind the 2 doors, dividing the internal space into two horizontally (5 possible levels). The small bay is equipped with a 25 mm thick argile lacquered shelf (504 x 396) behind the single door, dividing the internal space into two horizontally (5 possible levels). Interiors are in argile lacquer, with the exception of the DARK WALNUT finish, for which the interior is in chocolat lacquer.

Technical characteristics

CONCEPTION : although it might be evocative of certain metal modular

systems from the office world, Dita clearly distances itself from these in a number of ways: its lacquered panels are in wood rather than sheet metal; its discreet profiled uprights with their sophisticated finish are perfectly placed, cast and not part of the structure; a matching handle which is light and beautifully designed; and its small, slim feet which continue the line of the structure in a very natural way.

QUALITY OF MANUFACTURE & FINISHES:

uprights are in 15 x 15 mm anodised aluminium section in a brushed bronze finish. These frame the wooden panels which are finished in argile lacquer on the interior faces and in a choice of 16 colours for all visible exterior faces: - satin white, argile and perle (standard), - beige, brique, chocolate, make-up, moutarde, sage, black, plomb, night blue, mahogany brown, copper, platinum grey (to order). All items are single-sided but are finished on the back (back panels and edges in argile lacquer). Certain items may be given an optional double-sided treatment, with the addition of a rear finishing panel. Handles are in injected zamak, lacquered bronze to co-ordinate with the uprights. Hinges are black. The feet H 30 mm continue the line of the uprights and incorporate a black jack. The new shelving unit, at H 189 cm the same height as the storage column, has shelves in a choice of 17 finishes: grey smoked glass, satin white/argile/perle lacquer, plus the 13 'to-order' lacquer colours (brique, bleu

lavande, chocolat, moutarde, elephant, ranger, noir, bleu nuit, brun acajou, bleu gentiane, cuivre, gris platine). The 4-drawer chest is composed of 3 identical drawers topped with a narrower upper drawer. The 6-drawer chest is composed of 5 identical drawers topped with a narrower upper drawer. The bench/TV unit is available in 2 versions, either with a cushion or with a lacquered top. It comprises 2 flap doors with 2 lower glass shelves (could be used as hallway storage). The cushion in high resilience polyurethane Bultex foam 53 kg/m³ - 6.3 kPa is covered in Steelcut trio 3 (choice of 53 colours).
