Technical characteristics

The uprights are in 1/2" x 1/2" (15 x 15 mm) aluminum profiles in an anodised brushed bronze finish. These encase the wooden panels, the interiors of which are finished in argile lacquer, with a choice of 15 colors for the visible external faces :

- to order : white satin, argile, perle, beige, brick, chocolate, make-up, moutarde, sage, black, lead, bleu nuit, mahogany brown, copper, platinum grey.

Dita System may be used as a room divider, in which case a double-sided back panel should be added behind the chests.

Handles are in injected zamak, bronze lacquered to match the uprights.

The feet H 1 1/4" / 30 mm further extend the uprights and have black jacks.
