

OCCASIONAL TABLE COPPER- PLATED TOP SIDE TABLE

Designer

Jan Christian Delfs

Sizes

Height 19 " | Diameter 15 " | Weight 14.881 lb

Description

This occasional/sofa end table consists of a tripod base in satin-finish black-stained solid ash. The base holds a removable round top (H 1/2" (1.5cm) - Ø 15 3/4" (40 cm)) made of gloss-finish solid copper finished with a rust-proof transparent varnish. Copper is a metal which varies in color - never fully red, pink, or gold. Because the metal is 100 % recyclable and quite environmentally conscious, it is coming back into fashion in urban apartments; nostalgic perhaps, but undoubtedly modern.

Technical characteristics

This occasional/sofa end table consists of a tripod base in satin-finish black-stained
