

CONSOLE TABLE RHÉA

Designer

Donia Ouertani Nolwenn Michéa

Sizes

Height 32 " | Width 45 " | Depth 13 " | Weight 82.232 lb

Description

The structure of the legs is made of natural varnished oak. The top is in open pore travertine, with 2 layers of a waterproofing agent, the edge of the top remains raw (unpolished). The travertine top (limestone rock) has small cavities, enabling to feel a grained and irregular texture to the touch. Its colour reflects light. Travertine is worked and re-cut to form the shape of a leaf.
