

# MIRROR GOOD VIBES

## Designer

Ana Moussinet

## Technical characteristics

Ana Moussinet's stylistic vocabulary intertwines French elegance, contemporary design and joie de vivre. Her mirror perfectly reflects this approach: the exponential multiplication of the frame creates the illusion of infinite perspective. The play between fullness and emptiness, shadow and reflected light, the use of carefully varnished, polished solid brass, the generous dimensions all help build excitement for a this larger-than-life decorative object. Good Vibes is a spectacular mirror with a decorative frame in varnished, polished brazed solid brass. May be installed horizontally or vertically.
